Local Matters.

Sun rises tomorrow at 5:47 a, m, and sets at 6:01 p, m. High water at 7:17 a, m, and 7:41 p, m. Sun and Tide Table.

Weather Probabilities.

For this section partly cloudy tonight and Saturday; light to fresh southerly winds.

BOAT RACE TOMORROW. As heretofore sunounced, the fast motor boats belonging to Mr. R. Bruce Emerson and Mr. William Moore will contest tomorrow afternoon for the championship of this vicinity. In fact it might be stated that the victor may well be entered in competition with the fast-est boats in the country, for it is receg-nized that the speed attained by each of the competitors is little short of phenom-enal. The details of the contest have all been arranged, and the winner of the race will not only have the satisfaction of knowing he is the possessor of the speedlest craft in these waters, but will also carry off a purse of \$100. The boats will leave this city about 3 o'clock tomorrow afternoon for Fort Washington, where there will be some jockeying for position. The start will be a running one, one pistol shot for the make ready, and two for the start, the starting line being the black bouy between Fort Washington and River View, about off the middle of Swan creek, and the finish will be a stake boat off Prince street in

Mr. Emerson will control the engine in his boat, and Mr. Moore will preside over his mechanism. Mr. Emerson's boat will be piloted over the course by Mr. George Gensmer, of the Emerson Steam Pump Company, while Mr. George Pettit will act in a similar capacity in Mr. Moore's boat, the articles requiring that there shall be only two men in each Mr. Emerson has designated Mr. A. T. Peak as his official representative at the start, while Mr. J. H. Miller, in Mr. Smythe's launch, "Olga," will represent Mr. Emerson at the finish. It is not positively known who will be the official representative of Mr. Moore at the start and finish.

Much speculation has been indulged in, both in this city and Washington, over the outcome of the contest, the partissus of each contestant claiming a victory in advance of the actual test, and it is believed that the river front will present a most unusual appearance when the boats show their noses in sight of the home stretch.

It might be well to give a comparison of the boats at this time. That of Mr. Moore is about 28 feet 10 inches in length, 4 feet beam, and impelled by a 34 horsepower Brownell-Trebert gaso-line motor. Mr. Emerson's boat is of the eliding type, 38 feet long, 8 feet beam, and impelled by a 15 to 20 horsepower Fairbanks gasoline motor, Under the ordinary rules governing all motor boat races, it will be seen that Mr. Emerson would be entitled to an unusual handicap, as Mr. Moore has a much smaller boat and a considerably more powerful engine than Mr. Emerson, but the performance of both boats in the month or so has been such that all claims to any handicap have been waived. Both boats have made trial runs over the course, and the owners of each are sangaine over the outcome, and have backed their opinions with their money.

SENT TO THE CHAIN GANG.

During the early part of the week a young white mechanic of this city, who has often figured in the Police Court from the fact that he is a victim of dipsomania, was sent to the chain gang for This individual is a mechanic, and could earn from \$4 to \$5 a day at his vocation. This morning another man, of the same craft, was arraigned in the court on a charge of vagrancy. He, too, can average \$100 a month at his trade were he so disposed, but his love for liquor and the company of the disso lute have shipwrecked him early in life. Justice Caton ordered the prisoner to be placed on the chain gang for 20 days, remarking as he did so that, inasmuch as he refused to work for renumerative wages, he should toil for the city for his

POLICE COURT.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning:

Alice Gallahan, charged with drunkness, was sent to the work house for 40

A white man, charged with vagrancy was sent to the chain gang for 20 days. Frank Bogan, colored, charged with being drunk in the street, was made to pay 25 cents for transportation in a wagon to the station house.

A young white man, charged with being drunk in the street, was dismissed. A mao, charged with leaving a nuisance on premises recently occupied by him, was dismissed upon promising to abate the same.

INJURED BY CARTRIDGE.

hir. Allen Cogan, son of Mr. John A Cogan, had a narrow escape from serious injury, if not death, yesterday afternoon in a building in the rear of his father's plumbing establishment on north Royal street. The young man was engaged in removing some machinery from the building which extends eastward to the alley running from King street to the market square, and dropped a crowbar he had in his hand on the bricks. An explosion followed, and a bullet struck Mr. Cogan on the left side of the head nesr the temple, inflicting a painful wound. Dr. Smith attended the young man. The crowbar struck and exploded a cartridge lying on the bricks where it was dropped.

The dramatic club of the Young Men's Sodality Lyceum has been organized and the following officers have been elected: H. Liuden Wheatley, president; Carl Rothmund, vice president; Martin E. Green, storelary and treasurer; E. F. Birrell, stage manager; Thomas C. Hoy, business manager. The club will give performances this winter.

The Board of Lady Managers wish to thank their good friends who interested themselves in behalf of the Alexandria Hospital, securing at Luna Park what was known as "Alexandria Hospital Day," the proceeds of which, with their Day," the proceeds of which, with their added contributions, amount to the sum of \$200. The ladies feel under many obligations not only for the material assistance rendered, but for the hearty and enthusiastic manner in which the gentlemen took hold of the matter and carried it through upon such short notice.

day, Sept. 18th. at 8:30 p. m., the Rev. J. W. H. Froop officiating. Mrs. John Lucas was operated upon at her home on north Fairfax atreet yes-terday morning by Drs. Warfield & Moore. Her condition is satisfactory. The Fanchon Pleasure Club is mak-

ing arrangements for its opening dance to be given at McBurney's Hall early in

Miss Inez Marshall, who has been seriously ill at Sweet Springs, W. Va., is rapidly recovering her health and expects to return to her home in this city at an early day.

ASSAULTED HIS WIFE.

With a cut extending from the crown of her head to the tip of her chin, Magdaline Terry, colored, of Arlington, Alexandria county, is at the Emergency Hospital in Washington in a critical condition. The wound is said to have been inflicted by the woman's husband, Harry Terry, who is under arrest, charged with assault. The physicians at the hospital have taken about twenty stitches in the wound.
The woman told them, they reported to
the police, that her husband assaulted
her because she objected to his going with other women.

WEDDING.

Miss Estelle M. Eowers and Mr. James F. Kerfoor, of Clarke county, were married yesterday evening at the residence of the bride's sister, Mrs. W. R. Newton, No. 227 north Fairfax street. Rev. Dr. Julian Broaddus, of the Berryvile Baptist Church, performed the ceremony. The wedding was a very quiet one, no one being present but near relatives. The foture home of Mr. and Mrs. Kerfoot will be in Berryville.

CASE DISMISSED. The case of Avery Henderson, was charged with presenting a forgedapplication for a civil service examination, came up before U. S. Commissione Garnett at 2 o'clock this afternoon. Mr. Ridgeley, of the Department of Justice, conducted the prosecution. After carefully investigating the matter, Commissioner Garnett dismissed the accused.

STILL BURNING.

The fire in the coal bank belong ing to the Southern Railway Company, near this city, was still burning today. The fire has made considerable headway, having reached a large pyra-mid, and considerable difficulty was being experienced by the large force of laborers who were endeavoring to extinguish the fire.

LOCKED OUT WINS.

Locked Out, owned by Mr. Courtland H. Smith, of Alexandria county, won the hotly contested steeplechase yesterday at Gravesend, L. I. In this race Locked Out beat Sheriff Williams, who last Saturday at Sheepshead Bay, L I., had easily beaten the noted racers, Mc-Kittredge and Mr. McCann.

[COMMUNICATED. THE TUNNEL WALL.

The extensive improvement (?) made by the Southern Railway Company at the corner of Fairfax and Wilkes streets should be photographed by some enter-prising photographer and a description of this wonderful work, should be published in picture form. The work in question is simply a disgrace to any town. And the authorities of this city should demand the removal of such a sight at once and require the above company to install around the entire walls of this tunnel a suitable, ornamental, iron fence. But the old saying that "anything is good enough for Alexan-dris," seems to hold good.

IMPROVEMENT.

at the Jamestown Exposition. Pedestrians on M street, Georgetown, and on the Aqueduct Bridge, shortly before 11 o'clock last night, were treated to a rare spectacle, when a houseboat, belonging to John Killeen, of Washing-ton, which was anchored on the north shore of Analostan Island, burned to the water line last night. The origin of the

blaze is unknown. The United States steamer Prairie, with two battallons of sailors who are to act as part of the military escort at the funeral of Rear Admiral John G. Walker in Washington to-morrow, anchored oil this city shortly before noon today. The two battallons came ashore shortly before 2 o'clock this afternoon and took electric trains for Washington.

Complaint is made by many citizens of the had and noisy behavior of both white and colored school children as they go to and from sch ol. Their conduct is very annoying to peaceably disposed citizens, and it. would seem that some steps might be taken to put a stop to the nuisance.

Edward Higgins, recently committed to the Western State Hospital, at Staunton, has nade his escape from that institution and, it s said, has returned to his home in this city. Mr. J. A.
